Community & Brand Support

1. Describe your destination.

Describe your destination (who you are, who you wish to attract and why would they come) addressing your strengths, opportunities, and potential challenges. How does your destination align with Montana's brand pillars?

Helena, Montana is much more than just the state capital, it is a vibrant community bordering some of the best recreation opportunities in Montana. Nestled against the Rocky Mountains and built by gold mining, Montana's capital city strikes a unique balance between a rich history and a lively arts and culture town. Surrounded by pristine mountain scenery, numerous rivers and lakes, clean fresh air, and an abundance of wildlife, Helena is a unique travel destination.

Identity of Helena - as identified by the Helena CVB:

As a tourist destination, Helena offers the following strengths and resources:

- Arts and Culture such as Grandstreet Theatre, Montana Shakespeare Company, Great Northern Carousel, Holter Museum, Myrna Loy Center for the Performing Arts, Archie Bray Foundation for the Ceramic Arts, Exploration Works Museum, Clay Arts Guild, Saint Helena Cathedral, Carroll College, Queen City Ballet, Tango Helena, Helena Symphony and Chorale, and Civic Center events.
- Helena has received several designations that make it desirable to visitors including: International Mountain Biking Association Ride Center, Rand McNally Best of the Road for Geocaching, USA Today 10th Best State Capital Worth Visiting, and many more.
- Helena is central to Montana history including historical attractions such as Montana Historical Society Museum, "Montana's Most Historic Mile" Last Chance Gulch, Original Governor's Mansion, Historical Mansion District, Reeder's Alley, and nearby ghost towns, as well as Gates of the Mountains, Lewis & Clark Trail, Fort Harrison Military Museum, Montana's State Capitol Building, and Helena's Tour Train.
- Outdoor recreation abounds: fishing, hunting, hiking, camping, boating, rafting, downhill and cross-country skiing, snowmobiling, mountain biking, golfing, and horseback riding. Visitors have the opportunity to enjoy Gates of the Mountains, the mighty Missouri River, Holter Lake, Canyon Ferry, Hauser Lake, Spring Meadow Lake, Great Divide, Montana WILD, as well as over 75 miles of trails on readily accessible public lands.
- Conveniently located within the state, Helena is a perfect stop for activities and overnight stays for those traveling between Glacier and Yellowstone National Parks or Canadians and snowbirds heading south.
- Special events and festivals throughout the year including Last Chance Stampede & Rodeo, Governor's Cup Race, Race for the Cure, Trail Rider, Farmers Market, Downtown Helena's Art Walks and Wednesday's Alive at Five, Symphony Under the Stars, Mondays at the Myrna Loy Center, Made in Montana Expo, Montana Mucker, state sports tournaments, and many other regional events.
- Helena has the most nonprofits per capita than any other population center in Montana. This focus on civic involvement and social service creates an inviting community.

Helena's marketing efforts are often challenged by the following weaknesses and critical issues identified by the CVB:

- Limited public transportation, both from outside, and inside the city of Helena
- Limited large-scale convention and event facilities
- Limited signage directing visitors to Helena attractions on interstate highways and within the city
 - Signage is a project included in the Downtown Helena Master Plan
- Helena events are seeing increased competition from other Montana towns' events
 - After losing several state sports tournaments, Helena created a sports council and has worked to bring back large tournaments to Helena.
- Lack of extended store, shopping, and attraction hours to accommodate tourists
 - While still an issue, store owner education and downtown events have made headway into resolving this challenge
- The cost of airfare and flexibility of connections is a concern for travelers
 - While still an issue, Alaska Airlines is increasing flights with a possible Helena/Portland flight in the works.

Montana's Brand Pillars perfectly match with Helena and what it offers visitors.

More spectacular unspoiled nature than anywhere else in the lower 48.

Its location, nestled against the Rocky Mountains and opening into a lush valley, highlights the spectacular unspoiled nature that can be found just outside the city limits. Helena is surrounded by pristine mountains, rivers, and lakes. With over 75 miles of trails on Helena's South Hills, nearby public land, and Gates of the Mountains, visitors can escape into an outdoors that is still very much like it was when Lewis and Clark first set eyes on it.

Vibrant and charming small towns that serve as gateways to natural wonders.

Named one of the Best Small Arts Towns, Helena has all the amenities of a big city, but with a small town feel. In addition to its rich history and culture, visitors will find biking and hiking trails, blue ribbon fishing, and water recreation opportunities just outside city limits.

Breathtaking experiences by day, relaxing hospitality at night.

Whether it is the panoramic views from atop MacDonald Pass or watching a resident artist create their next piece at Archie Bray, Helena offers visitors unique and breathtaking experiences that can't be found elsewhere. Stroll along the walking mall exploring the many local shops. Or relax and enjoy some Helena flavor at local restaurants, breweries and distillery. At night, visitors can choose from historic bed and breakfasts or established hotels offering hometown Montana hospitality.

2. How will your marketing plan address the three phases of the travel decision process of inspiration, orientation and facilitation?

The Helena CVB marketing plan addresses the three phase decision process across its marketing plan with various tactics implemented to provide a smooth process throughout the target's travel planning.

Inspiration

In the Inspiration phase, the target audience will be made aware of Helena's attributes inspiring a desire to visit Helena. Select tactics in the marketing plan address this phase by featuring information about Helena, promoting key attributes that interest target markets, and through vivid high-quality imagery. The tactics involved in the marketing plan that are part of the Inspiration phase include:

- **Consumer Advertising:** The Helena CVB will develop a strategic media plan that utilizes MOTBD co-ops, Wendt facilitated co-ops, and placement within publications that reach the target markets. Ads will highlight activities with a strong call to action and vivid images.
- **Internet Advertising:** The Helena CVB will develop a strategic media plan that targets markets with interest in the attributes of Helena. Ads will include eye-catching images with links to specific pages and relevant information within Helenamt.com.
- **Public Relations:** The Helena CVB will seek out opportunities with national and regional magazines and other publications to help generate stories about Helena. This will be accomplished by reaching out to magazine editors, responding to media inquiries, creating news releases, and pitching of special events or new opportunities for visitors to Helena.
- **Pinterest:** The Helena CVB utilizes its social channels to promote Helena's attributes and keep followers up-to-date with news and events. Within Pinterest, strong images and descriptive captions inspire users and are used to build intent to visit Helena.
- **Photo Library:** The Helena CVB has a photo library that includes hero shots and photos highlighting activities in and around Helena. It is used for advertising, media inquiries, news releases, and social media.
- **Video:** Helena is creating a video that will highlight the city including activities and must-see sights along with a strong call to action to visit. It will be used for advertising, public relations, and social media.

Orientation

In the Orientation phase, the target begins researching the details of their trip including the route and mode of transportation. Select tactics in the marketing plan address this phase by highlighting Helena's convenient location both within the state and between Yellowstone National Park and Glacier National Park. The tactics in the marketing plan that are part of the Orientation phase include:

- **Helenamt.com** – The Helena CVB will continue to work with the Helena TBID to maintain a website that provides travelers with access to information they need to plan their trip from beginning to end. The website includes maps and a call out to Helena's convenient location between the parks, service and attraction directories, an event calendar, sample itineraries, and much more.
- **Consumer Advertising** – Beyond a strategic media plan, the ads all feature a call out to Helena's convenient location between the parks.
- **Visitor Guide** – The Helena Visitors Guide that is produced by the Helena Chamber of Commerce is an important piece in developing the traveler's intent to visit Helena. The travel guide is used in response to media inquiries and consumer advertising inquiries. It is distributed regionally and locally. The travel guide consists of maps, suggested routes, main attractions, and a calendar of events.

Facilitation

In the Facilitation phase, the traveler is looking for things to see and do in Helena and along the way. Select tactics in the marketing plan address this phase by providing sample itineraries, day trips, and activities broken into easy-to-use categories. The tactics in the marketing plan that are part of the Facilitation phase include:

- **Helenamt.com** – The Helena CVB will continue to partner with the Helena TBID to maintain the site to include up-to-date sample itineraries, easy-to-navigate activities, and must-see landmarks.
- **Pinterest** – Boards on the Pinterest page include Helena Food and Drink, Stay in Helena, and Things to Do, which highlight what to do while visiting Helena. The pins include captions with calls to action and links to learn more.
- **Brochures** – The Helena CVB developed a rack card brochure that highlights Helena's convenient location and main attractions. The brochure features hero shots and narrative copy about Helena and the surrounding area. The brochures are distributed along the travel corridor for visitors to Yellowstone and Glacier National Parks and inform visitors about what Helena has to offer and why it's a perfect stop.
- **Tear-off Map** – Helena CVB annually produces a tear-off map of Helena that is available at visitor centers local businesses. The map is not only a road map but also highlights major landmarks and attractions.
- **Visitor Center** – The Helena CVB staffs two visitor centers during the peak summer travel season. The visitor centers feature knowledgeable staff and printed materials about what to see and do in Helena. The CVB also maintains an unmanned visitors center located at the Helena

Regional Airport that supplies travelers with visitor information.

3. Who is your market?

a. Define your target markets (demographic, geographic and psycho-graphic)

Target Geographic Markets:

Based on inquiries from our marketing and advertising efforts, visitors to the Helena Chamber of Commerce Visitor Centers, direct flights to Helena Regional Airport, and subscribers to our helenamt.com online newsletter, the Helena CVB will target the following states and provinces: Washington, Idaho, Utah, California, Texas, Arizona, Florida, Oregon, Illinois, Colorado, Minnesota, Alberta and Saskatchewan.

Target Demographics:

A) Travelers Visiting Family and Friends: The most popular leisure travel purpose in Montana and nationally is visiting friends and relatives. These are adults 35+ years of age, traveling with or without children. They have a household income of \$60,000+, participate in scenic trips, photography, camping and hiking, wildlife viewing, skiing, and snowmobiling. These travelers enjoy outdoor activities, hands-on experiences, and tend to visit state parks, museums, historic trails and nature areas.

B) Leisure Travelers: Adults 35+. They have a household income of \$60,000+ and travel with or without children in the summer months. They participate in shopping, attend social/family events, outdoor activities, rural sightseeing, and visit historic places, and museums.

C) Adventure Travelers: Adults 30+ years of age, traveling with or without children. They have a household income of \$60,000+. They enjoy and participate in outdoor activities such as mountain biking, fishing, hiking/backpacking, camping, water recreation, skiing, and snowmobiling.

D) Geotraveler: Various age groups and income ranges that are socially conscious. This target has a strong preference for cultural and social aspects of travel. They focus on the experience of the destination not just checking off a list of popular attractions. This group strives for personalized experiences.

E) Business Travelers/Meeting & Convention Planners: Business travelers often include leisure activities during at least one of their trips, and many take family or friends on those trips. Meeting and convention planners who seek to book small to medium-sized conventions and meetings in an area offering unique western hospitality with a variety of local historical, cultural, and recreational activities.

b. What are your emerging markets?

Helena has three main emerging markets. We will reach these markets through our planned tactics included in our marketing plan and through our creative execution.

Mountain Bikers – With the slogan “A single track at the end of every street.” Helena has become a destination for mountain bikers. In 2013, the

International Mountain Bicycling Association gave the mountain bike trails in and around Helena their highest trail rating by designating Helena a Ride Center. This is exciting news as Helena now joins just 16 other communities around the world with this designation. A report by ITRR in 2014 stressed the potential of cycle touring as an untapped market, <http://news.umt.edu/2014/01/011504bike.php>. Helena will continue to focus on this market because we have the infrastructure and tools (more than 75 miles of trails, Bikehelena.com, Trail Rider shuttle service, ride events, Vigilante Bike Park) in place to reach mountain bikers and provide an unmatched experience.

Geocachers – While this is a niche group, it is made up of dedicated travelers. In the past years, it has been gaining popularity as technology has made it easier for everyone to participate. Led by the Helena TBID, the Helena GeoTour was created, touting handmade tokens and several caches that are perfect for families as well as the seasoned geocacher. Helena was named #1 Town in America for Geocaching in Rand McNally's Best of the Road competition in 2013. The success of Helena as a geocaching destination has been continued through FAM trip writers and events specifically designed around the Helena GeoTour.

Snowbirds – Previous year's favorable exchange rate for Canadians saw an increase in travelers headed south for the winter months and many trends showed an increase in the purchase of winter homes. While the exchange rate is no longer as favorable, this market, as well as Montana snowbirds, continue to head south for the winter months. Due to Helena's convenient location within the state, we have seen an increase in traffic. Past consumer advertising campaigns have targeted this market with success. The Helena CVB will continue to watch this trend and focus on how this transient target can be convinced to make Helena a stopping point and educate them about all that Helena has to offer.

c. What research supports your target marketing?

The Helena CVB utilizes ITRR to refine its target audiences, including why visitors are attracted to Montana. Visitor Center statistics and visits to the Helenamt.com site also help define the geographic targets outlined in the marketing plan.

5. Joint Venture Opportunities

a. In what types of Joint Ventures with MTOT would you like to participate?

The Helena CVB is most interested in affordable co-ops that will give them high-value placement while allowing flexibility with their limited budget. As long as the opportunity is a fit with Helena's target audience and goals, print or digital placement options are of interest to the Helena CVB. Through a partnership with the Helena TBID, marketing opportunities are evaluated to ensure there is no duplication of efforts. Helena is also interested in opportunities with travel planning sites allowing us to reach our target audience in the Inspiration and Orientation phases of the planning process.

b. In what other types of Joint Ventures would you like to participate? (Regions/CVBs, etc.)

In the past, the Helena CVB participated in co-ops with other regions and CVBs facilitated by The Wendt Agency. These have included placements in Midwest Living, Sunset, Better Homes and Gardens, and Fly Fisherman. The results from these co-ops have been successful and the Helena CVB plans to continue participation in co-ops with other bed tax funded organizations as long as they are available, fit within our marketing goals, and reach the target audience.

c. What types of Joint Ventures have you done in the past? Were they successful - why or why not?

Helena has participated in several of the MOTBD print co-ops over the past years: Sunset, History Channel, National Geographic Traveler, Outside, and Backpacker. Helena has seen great success with these co-ops including exposure with target audiences and increased inquiries, as well as plans on continuing to include them when developing media plans. Helena has also participated in the co-ops facilitated through The Wendt Agency, which have also been successful in reaching our target audience and producing inquiries.

The Helena CVB relies on the photo library to keep its production costs low and respond to all promotional opportunities with high-quality images. This project encompasses the marketing support provided by The Wendt Agency in the form of preparation for, and the subsequent development and writing of, the FY17/18 Marketing Plan for submission to the Tourism Advisory Council.	The Helena CVB has seen success in planning and executing marketing tactics that reach the goals and objectives set forth by TAC and the CVB Council. A marketing plan also allows us to set up metrics to measure the tactics and compare year to year allowing us to fine tune what is successful and what has not worked.	Our overall objective is to develop a cohesive, effective marketing plan to be approved by the Tourism Advisory Council. Our plan will increase arrivals, length of stay, and expenditures of Helena visitors by raising the overall level of awareness of Helena's historical, cultural, and recreational attractions and activities. The senior volunteers prefer not to work on evenings and weekends and this has left a huge gap in our staffing. In previous summers, we found it nearly impossible to staff the VIC on evenings and weekends. As visitor numbers continue to increase, especially into the shoulder season, the VIC requires additional funds to remain open. We feel this will help to influence travelers to spend more time and more money in Helena if they have someone available to let them know the many events occurring in our city. The VIC is open from Memorial Day to mid-September.
